

EXELPET® Sensitive Skin Shampoo with Oatmeal and Honey is specially formulated with natural oatmeal and medicinal honey and is suitable for use on pets with sensitive, itchy or inflamed skin. In addition, this gentle formulation is pH balanced, which aids in maintaining a healthy, shiny coat.

EXELPET Sensitive Skin Shampoo with Oatmeal and Honey can be used as often as required, and on cats and dogs of all breeds, with easy lathering and rinsing. Gentle enough to use on puppies and kittens. To maintain a healthy skin and coat, EXELPET recommend fortnightly washing during the summer period, and as required during the colder months.

DIRECTIONS FOR USE

Wet your pet thoroughly with warm water. Liberally apply and massage into the coat, being careful to avoid contact with eyes. Rinse off thoroughly with warm water and if necessary repeat the procedure, then dry your pet off completely with a towel. Do not expose your pet to draughts when wet.
