**ARTHRI-CARE**<sup>®</sup>

**EXELPET<sup>®</sup> ARTHRI-CARE<sup>®</sup>** real meat, tasty chews have been specially developed to help in the relief of arthritic symptoms.

**EXELPET ARTHRI-CARE** is a natural supplement\* that combines Vitamin E with *Perna Canaliculus* (New Zealand Green-Lipped Mussel), prepared by a patented process to guarantee efficacy. In clinical studies, dogs fed **EXELPET ARTHRI-CARE** have shown some improvement in arthritic symptoms after only 6 weeks.  
(\*Formulation Pat. Pend.)

**DIRECTIONS FOR USE:**

Safe use of this formulation has not been established in pregnant animals. Its use in pregnant animals is not recommended.

**EXELPET ARTHRI-CARE** is not an alternative treatment in acute joint inflammation.

To provide ongoing joint care, feed your dog daily.

Dog Weight	Daily Feeding
Up to 25kg	1 chew
Over 25kg	2 chews

**Feeding Procedure**

Break off the required number of chews for your dog and feed as a treat anytime. The product is highly palatable and should be readily accepted but if it is refused, break into smaller pieces and add to your dog's food. Re-seal remaining portions to keep fresh.

**EXELPET ARTHRI-CARE** contains natural agents and improvement in condition should become evident within 6 weeks. Feeding should be continued to ensure ongoing relief from symptoms. Individual pet's responses may vary depending upon extent of joint condition. Should symptoms persist, consult your veterinarian.

**FIRST AID:** If poisoning occurs contact a doctor, or Poisons Information Centre. Phone Australia 131126.

**Ingredients**

Meat from beef; rice; green-lipped mussel powder; gelatin; glucose; sugar; glycerine; vitamin E; tartaric acid; potassium sorbate.
