375mL

FLEA CONTROL
HOME

EXELPET® FLEABAN® House and Carpet Spray is an insecticidal spray intended to treat the environment of dogs and cats. **EXELPET FLEABAN House and Carpet Spray** is able to protect the sprayed areas for up to 12 months against the emergence of fleas from eggs and larvae still present in the environment at the time of treatment. **EXELPET FLEABAN House and Carpet Spray** is able to protect the sprayed areas for up to 3 weeks against adult fleas which might invade the premises from outside via the animals.

HOW TO USE:

SHAKE WELL BEFORE USE. Spray 25mL per m². 375mL of spray will cover 15m². Apply the SPRAY directly onto objects or premises to be treated, holding the container at 20cm from the surface to be sprayed, including kennels, pet's bedding, chairs, carpets and under furniture.

Flea Control Programme

Effective long-term flea control requires an integrated flea control programme. To ensure maximum flea control remember to:

1. Treat all pets at the same time.
2. Treat your pet's bedding and the environment.
3. Maintain this flea control programme all year round, particularly throughout the warmer, humid months when fleas are most active.

NOT TO BE USED FOR ANY PURPOSE, OR IN ANY MANNER, CONTRARY TO THIS LABEL UNLESS AUTHORISED.

CAUTION

KEEP OUT OF REACH OF CHILDREN

Remove or cover fish tanks before use.

DO NOT spray directly on humans, pets, plants, exposed food, food preparation areas or food utensils.

DO NOT spray near naked flames, pilot lights or cigarettes.

DO NOT allow chemical containers or spray to get into drains, sewers, streams or ponds.

STORAGE AND DISPOSAL: Store in the closed, original container in a cool, dry place out of the reach of children.

Do not store in direct sunlight. Dispose of empty container by wrapping, placing in plastic bag and putting in garbage.

SAFETY DIRECTIONS: Will irritate the eyes and skin. Avoid contact with eyes and skin. If product in eyes, wash it out immediately with water. Wash hands after use.

FIRST AID: If poisoning occurs, contact a doctor or Poisons Information Centre. Phone Australia 131 126.
