SMALL DOG UP TO 11kg	MED DOG WEIGHING BETWEEN 11 - 23kg	LGE DOG GREATER THAN 23kg

Summer Itch or Summer Eczema is often the result of an allergy to flea bites. **EXELPET[®] Itch Wash** is formulated as a treatment to relieve itching and soothe your dog. It is also an effective treatment for other minor skin disorders.

DIRECTIONS FOR USE:
SHAKE WELL BEFORE USING. Wearing rubber gloves, wet coat thoroughly with warm water and work in sufficient **EXELPET Itch Wash** to produce a good lather. Rub well into areas affected by Summer Itch or Eczema. Leave on for 10-15 minutes then rinse thoroughly with clean water. **EXELPET Itch Wash** may be used at 4 day intervals and in conjunction with flea control products available at your local supermarket. Wash hands after use.

FIRST AID: If poisoning occurs, contact a doctor or Poisons Information Centre. Phone Australia 131 126.

Additional Safety Information: Avoid contact with skin and eyes and avoid breathing vapour.

Guarantee of Satisfaction: If you would like more information on controlling fleas on your dog, or have any queries of any kind, or you are not completely satisfied with this product, please contact
