HEALTH AND HYGIENE

EXELPET[®] Tea Tree Shampoo combines the properties of natural Tea Tree Oil with a blend of mild cleansing agents to gently clean your pet's coat and skin. It will not dry the skin or hair, so it is particularly suitable for pets with sensitive or damaged skin. It does not contain soap or added perfume. Its gentle cleansing action and non-irritant formula mean that it is suitable for use on both cats and dogs.

DIRECTIONS FOR USE

Wet your pet thoroughly with warm water. Liberally apply **EXELPET Tea Tree Shampoo** and massage into the coat, being careful to avoid contact with eyes. Rinse off thoroughly with warm water and if necessary repeat the procedure, then dry your pet off completely with a towel. Do not expose your pet to draughts when wet.
