- soap free

250mL

exelpet[®]

EXELPET[®] Moisturising Shampoo with Aloe Vera & Vanilla is specially formulated with natural aloe vera and vanilla ingredients, and is suitable for use on pets with dry skin. This soap-free, soothing formulation is also pH balanced, which aids in maintaining healthy skin and a shiny coat. EXELPET[®] Moisturising Shampoo with Aloe Vera & Vanilla can be used as often as required on dogs and cats of all ages and breeds, leaving their coat clean, fresh and healthy.

DIRECTIONS FOR USE

Wet your pet thoroughly with warm water. Liberally apply EXELPET[®] Moisturising Shampoo with Aloe Vera & Vanilla and massage into the coat, being careful to avoid contact with eyes. Rinse off thoroughly with warm water and if necessary repeat the procedure, then dry your pet off completely with a towel. Do not expose your pet to draughts when wet. To maintain healthy skin and coat we recommend fortnightly washing during the summer period and as required during the colder months.
